Dear Mr. Sturgeon,

This is to confirm our discussion on Thursday, March 3, 1994, regarding the extension request to submit comments on the Dover Gas Light Site Proposed Plan, Dover, Delaware. The initial request had been submitted through the Delaware Department of Natural Resources and Environmental Control (DNREC) during discussions on February 28, 1994, and March 1, 1994, and by letter on March 2, 1994. We appreciate your consideration, and granting the extension through April 4, 1994. If I may be of further assistance, please contact me at (302) 734-6787.

Sincerely,

Edward Dunlap
Engineering Manager
